- English: Review – Determine the meaning of unknown and multiple meaning words
- Social Studies: American Indian Cultures in Alabama
- Math: Area, Perimeter, Multiplication and Elapsed Time
- Science: Water and Climate
- Writing: Informative writing

# Third Grade's Newsletter

## Arafat Notes

Please encourage your child to read each night even though it is not a part of their homework. The more they read, the better they will get at it.

Please send in your \$5 in a sealed envelope with your child's name on labeled (Room mom) to help cover the cost of our holiday party.

## Gipner Notes

Some students will continue to work on their 9 multiplication facts while others will be moving on to the 11 facts.

Please practice flash cards 5 - 10 minutes each night until they know them fluently and in any order.

## Morris Notes

-Remember that homework packets are due on Friday.

Starting this week Spelling words will be written in cursive first then printed.

We need a room mom/dad (s) that would be willing to help with our holiday party. Please let me know if you would be willing to help.
