## What We're Learning

- Reading: Describe the logical connection between particular sentences and paragraphs in a text (e.g., comparison, cause and effect, sequencing)
- Social Studies: Declaration of Independence and the Constitution of the United States
- Math: Multiplication, partitioning shapes into equal parts, beginning fractions
- Science: Weather and climate
- English: Main idea, details, time order words, using dictionaries, and context clues
- Writing: Informative writing

# Third Grade's Newsletter

## Arafat Notes

-Book reports are due 2/3/2017. Please let me know ASAP if your child needs anything to complete this book report.

## Gipner Notes

-Your child took a 3s multiplication test on Friday. Please sign and return the test, so I know you have seen it. If your child scored below 90, I want them to continue to study their 3s facts. For those that scored 90 or higher, study their 4s facts.  
-This nine weeks we will be focusing on fractions.

## Morris Notes

-Spelling words and science vocabulary words are the same; both are posted on Edmodo. Definitions for science words are also posted on Edmodo.  
-Please send in empty, label-free, 2L bottles with caps.
